MEMORANDUM FOR: Acting Deputy Director (Support)

SUBJECT : Nominations of Persons to Attend Defense Colleges;
Advanced Management Course, Harvard University;
and Senior Officer School of the Foreign Service

REFERENCES : Deputy Director (Support) memo dated 31 July 1958,
same subject; CIA Career Council memo dated
23 July 1958, same subject.

1. We are forwarding, as an attachment to this memo, a list of nominees for various colleges from the SF Career Service, as requested.

2. Attendance of SF employees at the senior military colleges does not appear to be promising for direct benefit to the SF Career Service. [REDACTED]

[REDACTED] There are few SF career employees who have the military experience and rank, or the active military reserve status normally necessary to allow competition with the senior regular officers at these colleges. Although we recognize the responsibility of your office to furnish nominations for Defense Colleges, we suggest that the financial expense and the loss of key employees do not appear to be justified for the SF Career Service.
